

Phase 3- 6 Year Warranty (Cabinets).

Phase 3 and Prestige Profiles cabinet (units) ranges carry a 6-year guarantee from date of invoice, against defects in materials and workmanship when inspected.

'When components are viewed with normal or corrected vision at arm's length there shall be no obvious defects that would detract from the appearance of the furniture in its normal position of use. For example, components shall be free of the following: -

- *Machining Imperfections - torn grain, sanding marks, inaccurate edge trimming*
- *General - excessive variations in colour.*
- *Poor Finishing - Chips, pimples, and shrinkage.*

Finished components shall not have any sharp edges or splinters that are likely to cause discomfort or injury to persons during normal use of the furniture.'

Cleaning should be undertaken using a mild soap solution only, wiping with a damp (not wet) cloth, finally drying with a soft clean cloth. Never use an aggressive cleaning solution, bleach or other chlorine-based cleaners.

Localised heat/steam/water can damage the cabinets. Those fitted next to dishwashers/washing machines or sinks are not covered against steam or water contact. Components fitted in close proximity to ovens, grills, ranges, kettles, toasters etc. will not be covered by the guarantee unless heat deflectors/preventative measures have been installed/ undertaken. (This is not supplied by Phase 3/Prestige profiles.

Newly plastered rooms should be left to environmentally stabilise before storage and installation of doors, whatever their material.

Timber products are subject to some movement with changes in moisture in the environment.

In the event that the original colour/finish has been discontinued, we will offer the nearest possible alternative.

Any claims against the guarantee arising from everyday wear and tear are excluded.

Phase 3/Prestige Profiles accept no liability for re-fitting costs, loss of production, expenses or any other consequential cost.
